Hello City Council Members,

Mount Diablo State Park is looking to perform a prescribed fire this spring on the north side of the park bordering the City of Clayton. We have a representative available to present the plans on Tuesday, April 16th at the City Council Meeting. We are just in the planning stages at this point, but we want to reach out to everyone who is affected by this prescribed fire activity.

Please let me know if you would like someone to present our plans to the City Council. We are looking (very preliminary plans at this point) to have an in person meeting at Mitchell Canyon on April 23rd, followed by a Zoom meeting on April 24th.

Thanks,

Cameron M. Morrison
