Subject: Flora Square PC Meeting
Date: Tuesday, October 31, 2023 2:57:11 PM

Dear Dana, Milan and planning commissioners,
I support the application on tonight's agenda for Flora Square.

If approved, this will be a great boost and repurpose of a building that has struggled in The Town Square.

Additionally, the Ipsen's have a quality and proven business model which will enhance the downtown scene.

Please support this application.

Best,

William Jordan
